

# ACOUSTIC BOOTHS

A strong, international  
and **innovative** company  
that is a **master** in the production  
of **premium** construction systems  
creating **better** buildings  
for **people** and **nature**.

LiKO  S

# NO DISTRACTIONS.

## FOCUS & PRIVACY

Open offices can get noisy. Privacy suffers, too. So let's think inside the box. Out there, mental overload. In here, headspace. Silen office pods are quiet, private, and comfortable. They're the kind of places you need to ideate, create, and strategize.

 **Industry-leading two-way noise reduction**

 **Enable focus in the workspace**

 **Mental-health centric spaces**

 **Deeper human connections**

## DESIGNED FOR WELL-BEING.

Passable workspace design reduces strain and looks ok. Still, people didn't yearn for the office after Covid. Wellbeing matters. Enjoyment sparks good things. As Churchill said, "We shape our buildings, thereafter they shape us." Smart companies know this. It pays to care about people and how they feel. We design for both.

 **Standard-beating air quality and circulation**

 **Optimized for speech and minimal echo**

 **Spacious, ergonomic design & safe materials**

 **Confirmed by user tests & client feedback**

# EVOLVES WITH YOU.

## SUSTAINABLE VERSATILITY

Flexible office design adapts to changing needs. Spiff up your workspace with our wide collection of office pods and dividers. Modular, scalable design means they can be combined and split again. Swappable skins, trims, finishes, and furnishings help keep things fresh and long-lasting. There are sleek wheels, too. Push, to the future and beyond!

**Evolves with you: lifelong customization & modularity**

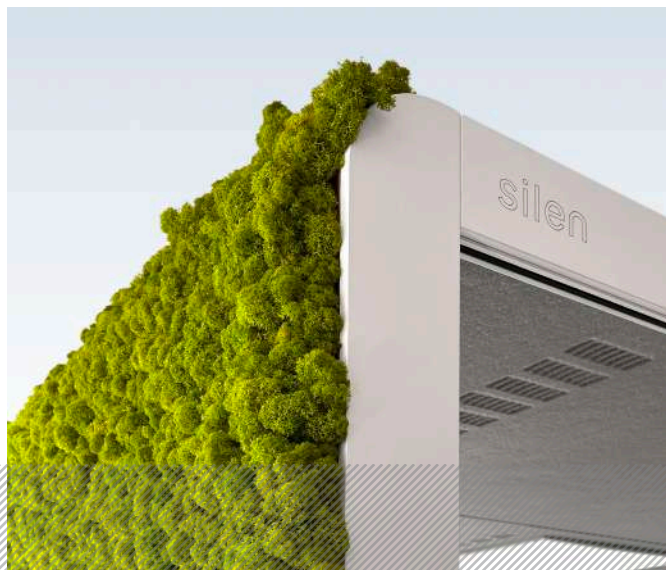

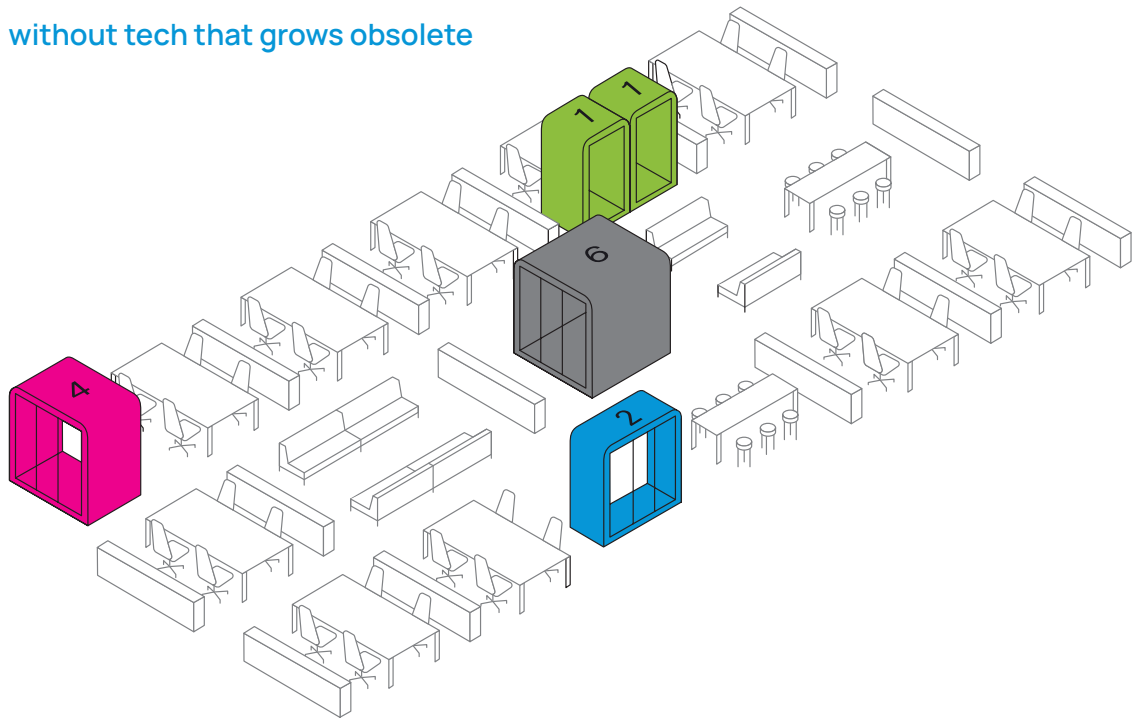

**CarbonNeutral® pods. Marine-plastic textiles.**

**20+ year lifespan with simple, sustainable design**

**Plug & play, without tech that grows obsolete**

The stated subject is carbon neutral through the use of high quality environmental instruments in accordance with The CarbonNeutral Protocol.

All credits adhere to standards approved by the International Carbon Reduction and Offset Alliance (ICROA).

# SILEN SPACE

PREMIUM

Silen Space office pods. The range has won awards for market-leading noise reduction, modular design, sustainability, and a wealth of customization options. Work works better here.

# SPACE 1

## PERSONAL ESCAPE POD

### PRODUCT INFORMATION

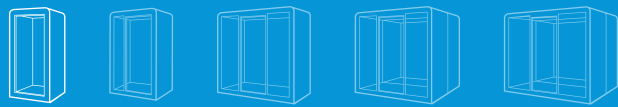

Exterior	110x229x110 cm
Interior	90x205x101 cm
Weight	370 kg
Sound insulation	Airborne sound insulation R <sub>w</sub> =40 dB Speech level reduction DS,A=30,5 dB
Air ventilation	Low consumption air circulation system
Air quality	Indoor Advantage™ (Gold SCS-EC10.3-2014 v4.0)
Lighting	LED lighting (6,7W, 4000 K, 900 lm)
Furniture	Optional
Casters	Hidden - can be activated anytime

### CAPACITY

1 person
